frantic mob howled for his life. After created great excitement, and the enduring much torture, diplomatic correspondence finally brought about his release with half-hearted apologies.

THE SUGAR TRUST.

cern April 1, is getting in some fine work to protect themselves, as outlined by a well-informed sugar man. The move seems to be nothing short of a plan they are believed to be after. The popular opinion is that the sugar will be sent abroad in order to secure the darw-back and then be brought back and sold at April prices.

A Large Amount of Wheat Will be Carried Over.

SAN FRANCISCO, March 27 .- In response to an inquiry as to how much wheat is likely to be if carried over into has landed at Plymouth the crew of the German bark Humboldt, who, when the next harvest. Secretary Friedlander of the Produce Exchange, places the and were in a dying condition. The Humboldt sailed from Altata, Mexico,

A New Way to Pay Church Debts. ABREDEEN, S. D., March 25 .- The plan devised several months ago, by the Methodist pastors of this district, for sowing wheat for the liquidation of the church debts, is about to be put in operation, the pastors furnishing the seed wheat and the farmers furnishing the land and doing the work.

Parnell's Audiences Small.

Lospon, March 25 .- Mr. Parnell's audiences today were small and not at all enthusiastic. It is evident that the church is gaining ground in its campaign against him. The withdrawal of the curates from active work in his behalf has greatly weakened his cause.

It is to be hoped that the farmers and laboring ture he did not propose to stand idly by united. The grange has always been increase the amount of exports of manu- classes will take care of Governor

> their hands again. The president is undecided whether to visit the Pacific coast, or not. Come on, Ben, it will do you good. We'll fill you up on the finest salmon you ever ate, not Hoosier salmon, full of wisps, but fat, jucy Chinook, that will make your hair curl. His excellency will never realize the greatness of the country of which he is the chief magistrate, till he visits the coast.
